New for 2009-2010: Self Service

We are currently installing self service machines in our larger district libraries. You will be able to borrow, renew and return books using self service.

Text and email reservation

We can let you know when items are ready for collection by email or text. Simply update your 'borrower information' online by adding your mobile phone number and/or email address. Alternatively ask at the library. We can also send you an email or text to let you know when items are overdue.

Did you know..?

You can renew your library loans by phone and online.
