**LINCOLNSHIRE COUNTY COUNCIL**  
**(PINCHBECK – KNIGHT STREET & BEAR STREET)**  
**(PROHIBITION OF WAITING) AMENDMENT ORDER 20**

**STATEMENT OF REASONS**

- Lincolnshire County Council recently received a request to review the waiting restrictions at the above location.
- Investigations have shown that parking along this length of road is frequently causing congestion. Large vehicles are often forced to mount the pavement because of parked cars, and forward visibility is poor due to the bend in the road. As a result, drivers must commit to their manoeuvre without being able to see oncoming traffic, creating a road safety concern.
- To address these issues, it is proposed to introduce parking restrictions along the affected section. A small area of on-street parking will remain in the vicinity of 42–44 Knight Street to provide natural traffic calming and to support the two businesses located there. Other businesses and the majority of residents in the area have access to private off-street parking, and it is not anticipated that the proposals will have a significant adverse impact.
- Therefore, it is proposed to prohibit waiting as set out on the plans to the Order.
- The Chief Constable, Pinchbeck Parish Council and South Holland District Council have been consulted, along with other local groups/companies.
