JUSTIFICATION FOR MAKING ORDERS

HIGHWAYS ACT 1980, SECTION 26 (AS AMENDED) CREATION OF PUBLIC FOOTPATH 1220 (LCC PPO 390)

Tests of legislation in respect of the CREATION ORDER:

Section 26 of the Highways Act 1980 provides for a number of conditions to be satisfied before a Creation Order may be confirmed.

1. *Lincolnshire County Council must be satisfied there is a need for the footpath over land in their area with regards to:*

(a) the extent to which the path or way would add to the convenience or enjoyment of a substantial section of the public, or to the convenience of the persons resident in the area [S26(1)(a)].

Plan No 2025/028/PPO390/A4 refers:

It is proposed to create a 3-metre-wide public footpath (approximately 252 metres in length) providing connectivity between Lincoln Public Footpath No. 6 and Lincoln Public Footpath No. 3. The new footpath will commence from Lincoln Public Footpath No. 6, crossing scrubland to meet Lincoln Public Footpath No. 3.

The creation of the Public Footpath will allow residents of the St George's and Albion estates easy access to West Common and Whitton Park without the need to walk along Long Leys Road. The route will cross green land, part of which is a priority habitat owned by Lincolnshire Wildlife Trust, providing a more pleasant walking environment. In combination with the connecting public footpaths, estate roads and Long Leys Road, the proposed footpath will enhance the opportunities for circular walks for residents and the wider public.

(b) the effect which the creation of the path or way would have on the rights of persons interested in the land, account being taken of the provisions as to compensation contained in section 28 [S26(1)(b)].

Although not recorded on the Definitive Map and Statement, the creation order route is currently being used by the general public. Two of the three landowners (City of Lincoln Council and Lincolnshire Wildlife Trust) are aware of this use. The creation of the footpath is not considered to be detrimental to the interest of the landowners concerned. No rights have been discovered for anyone interested in the land subject to the proposed footpath.

Modification to the Definitive Statement for Lincoln

The new route description for Public Footpath 1220 is added.
