Background Statement

Highways Act 1980 sections 118 & 26

Keelby – Extinguishment of Public Footpath 9 and Creation of an alternative Public Footpath

Lincolnshire County Council is considering a proposal for the extinguishment of Keelby Public Footpath 9 and the concurrent creation of an alternative Public Footpath, as shown on the attached plans.

The 251 metres length of Public Footpath 9 being proposed for extinguishment was added to the Definitive Map and Statement for the former Rural District of Caistor, the legal record of Public Rights of Way, on 31 May 1954.

Public Footpath 9 begins at Point A on the accompanying plan (2025/027/PPO391/A4) on the A18 Barton Street. It then heads in a generally north easterly direction across a field, residential property and grass track to meet Maple Avenue. It then continues in a north easterly direction through residential properties on the east side of Mulberry Close to join with Topper Lane at Point B.

It is proposed to create an alternative Public Footpath 84 metres in length, commencing south east of the original Public Footpath 9 at point A on the accompanying plan (2025/029/PPO390/A4). It then heads in a generally north easterly direction along a grass track to meet Mulberry Close at point D, allowing the Public Footpath to connect with a publicly maintained highway at both ends. The public can then use the pathway on Mulberry Close to access Topper Lane.

The extinguishment and creation meets the aims of the DEFRA 'Presumptions Guidance' issued in August 2023 which:

- Considers the benefits of extinguishment to users and landowners in relation to privacy, security and safety by reducing or eliminating the impact of existing routes which cross residential and commercial land, and
- Recognises that members of the public may not be comfortable following a path where doing so feels like infringing on the privacy of a house owner, or potentially disrupting, or being endangered by, activities within a farmyard or commercial premises.

If progressed, a Public Path Extinguishment Order and a Public Path Creation Order will be made in the landowner and public's interest.
