<b>Individual Agencies Action Plans</b>						
7	1. Assurance to be given that antenatal contacts are completed and consistent with the 0-19 service operation guidance.		Children's Services - Health		Complete	Antenatal contacts are completed, work is ongoing to ensure that 0-19 receive all notifications from midwifery to ensure this is consistent with 0-19 service operation guidance. Performance is monitored and an action plan in place to increase the number of contacts. If there are capacity issues antenatal contacts are triaged and targeted dependant on vulnerability to ensure that the most vulnerable unborn's are targeted and support offered accordingly.
8	1. East and West Lincs NPS to develop and deliver a staff workshop focussed on false compliance and professional curiosity. 2. Embed reflective supervision framework in to practice. 3. Develop and deliver staff workshop "working with people who have contact with a child subject to safeguarding procedures", the idea would be to promote staff paying due attention to what the day to day life of the child actually looked like, the true impact for the child in reality of contact with the adult and would incorporate all staff including court staff.		National Probation Service	30 June 2019 for each action.	Planned	Plans all in place.

9	When children are subject to a CP plan if there is any consideration that a recommendation to the first CP review at 3 months would be to remove the plan this must be discussed and agreed with a senior manager and the decision recorded prior to the recommendation being proposed in the report for conference or at the Review Child Protection Conference.
