

Weed treatment programme – 2020/21

Below are the actual dates for Lincolnshire County Council's 2020/21 weed treatment programme.

Weed treatment on areas of highway such as footways, cycle tracks, kerb channels and areas of block paved carriageways is carried out by LCC. The only exceptions to this are listed below.

District	Dates
Boston Borough	First treatment: 20 April – 3 May Second treatment: 6 July – 19 July
East Lindsey	First treatment: 4 May – 14 June Second treatment: 20 July – 30 August
North Kesteven	First treatment: 4 May – 7 June Second treatment: 20 July – 23 August
South Holland	First treatment: 20 April – 3 May Second treatment: 6 July – 19 July
South Kesteven	First treatment: 4 May – 7 June Second treatment: 20 July – 23 August
West Lindsey	First treatment: 8 June – 5 July Second treatment: 24 August – 20 September

Areas where weed treatment of the highway is not carried out by LCC

In the following locations, weed treatment is carried out on LCC's behalf by the parish/town council or, where indicated, the district council. LCC funds two treatments, with some councils choosing to carry out additional treatments at their own discretion.

For further details, including the timing of these treatments, please contact the relevant council directly.
