Legislation requires the County Council to keep a register of Definitive Map Modification Order ("DMMO") applications, and to make this available for inspection by the public on its website and at its offices. For each application the register must contain, amongst other details, a copy of the Application Form and details of the Applicant's name and address. The County Council will redact the signature of the Applicant on all DMMO documents published on its website. However, should the Applicant believe that the inclusion or retention of their name and address on the register would, or would be likely to, cause substantial unwarranted damage or distress to the Applicant or to another person, and has satisfied the Council that this is the case, the Council will exclude (or remove) their name and address from any documents contained, or to be contained, on the register.
