

Briefing Note: Safer Internet Use Christmas 2020

Introduction

The campaign will start on the Thursday 24th December 2020 and run until Friday 1st January 2021.

Campaign

Each year the LSCP runs an additional online safety campaign over the Christmas and New Year period. It is felt that this is appropriate due to many children and young people receiving internet capable devices as gifts. The focus this year is upon supporting parents to set up parental controls.

Campaign Objectives

- To raise the awareness of key messages relating to Safe Internet Use and Parental Controls
- To raise awareness of the resources available to support children, young people and families.
- To raise awareness of the resources available to support professionals working with children/young people.
