Application Ref: S22/0230

Proposal: **Hybrid Planning Application for the proposed Grantham to Bexwell potable water Pipeline Scheme with full planning consent sought for 95 kilometres of pipeline and 4 kilometre spur, and outline consent for associated above ground infrastructure at Elton and Welby Heath with all matters reserved except for access.**

Location: **Pipeline between Ancaster and Bexwell, Norfolk**

With reference to the above application received 7 April 2022

Notice is hereby given that the County Council as Local Highway and Lead Local Flood Authority:

Does not wish to restrict the grant of permission.

Lincolnshire County Council as Highway and Lead Local Flood Authority have been in detailed discussions with the applicant prior to the submission of a formal planning application. We are satisfied with the principles of the scheme and will agree detailed specifications for accesses, compounds, methods of working, reinstatements and temporary traffic management post-planning permission.

Any Public Rights of Way affected will either require closing on a temporary basis for the duration of the required works or a safe method of working put in place to safeguard users if the intention is to maintain public access.

Highway Informative 03

The permitted development requires the formation of a new/amended vehicular access. These works will require approval from the Highway Authority in accordance with Section 184 of the Highways Act. The works should be constructed in accordance with the Authority's specification that is current at the time of construction. Relocation of existing apparatus, underground services or street furniture will be the responsibility of the applicant, prior to application. Highway Informative 08

Please contact the Lincolnshire County Council Streetworks and Permitting Team on 01522 782070 to discuss any works which will be required within the public highway in association with the development permitted under this Consent. This will enable Lincolnshire County Council to assist in the coordination and timings of these works. For further guidance please visit our website via the following links:
